Practice Record Grading

$a \div b = c$

a is the total minutes you practice each week, b is the 120 required minutes of practice each week, c is your grade (for example: $110 \div 120 = 92\%$). You must practice at least 90 minutes a week to receive credit. Practice records are worth 20% of your overall grade. You will only receive credit up to 120 points – extra practice time will be awarded at the end of the 6 weeks, but not point for point.

***DUE 4/8:** Practice records will not be accepted more than one day late.

***No credit will be given for practice records that are not filled out on this form.**

***One signature by your parent/guardian.**

***DO NOT FOLD OR BEND THIS FORM!!**
