

**La Cueva High School Band Program
2012 Colorado Springs Festival Tour (April 18-21, 2012)**

TRIP COST

The total cost will be approximately \$340 per student. This quote is based on 140 students attending. Please be advised the cost per student will change, based on the final number of students who elect to attend. Because of this, we will not be able to provide you with a final cost for the trip until we confirm the number of students attending and secure that number through a non-refundable deposit (required by DC festivals, our hosts in Colorado Springs).

PAYMENT PLAN

We are obligated by contract to pay DC Festivals in several installments, with the first payment due in January and the last due in March. To meet our payment deadlines, we have established a payment plan for you. We have divided the cost of the trip into four payments. The first payment is a **\$100 non-refundable deposit required by DC Festivals**. Please make all payments by the dates indicated. If your child has raised money through Band fundraisers, that amount may be deducted from your payment.

<u>Due date</u>	<u>Amount due</u>
January 31, 2012	\$100 non-refundable deposit due
February 21, 2012	Additional \$150 due
March 14, 2012	remaining balance due

We intend to adjust the last payment to reflect the total amount of the trip.
