

LA CUEVA HIGH SCHOOL BAND

Greetings,

The La Cueva Band Program seeks to give the outstanding students at the school as many opportunities for success as possible. La Cueva's Band Program has a long-standing tradition of musical excellence, in marching band, concert band, and jazz band. Most importantly, we relish the opportunity to make music a meaningful part of their lives in order to foster a sense of development of a whole child—one with creativity, critical thinking, problem solving skills, and one that finds joy in self expression.

Our program includes a Wind Symphony, Symphonic Band, Marching Band/Color Guard, three jazz bands, and winter color guard. Your tax-deductible donation will help immensely in the effort to continue to provide quality programs for our children. Your funds will go towards the purchase of music, equipment (repair and replacement), hiring specialists to teach instrument-specific strategies, as well as providing educational music-learning software for Band Members, to reinforce classroom learning in the home, as well as transportation to and from events.

Whether you are an individual, or represent a business or a family, please consider sponsoring this exemplary music program. Your sponsorship will be seen by audience members at marching festivals across New Mexico, jazz concerts, symphonic concerts, and color guard competitions throughout the school year. We receive minimal state or district funding, and your donation goes directly to helping us to realize the true potential of this experience for each and every child. Any amount goes a long way and is greatly appreciated. The back of this page has a description of all the sponsorship options.

Thank you for your consideration,

John Converse
